

# ROTARY INTERNATIONAL

## OFFICE COMMUNICATION

---

**TO:** RI Directors, TRF Trustees, District Governors, Regional Rotary Foundation Coordinators

**cc:** Ed Futa, General Secretary

**FROM:** John T. Osterlund/TRF

**DATE:** 22 November 2005

**SUBJECT:** IMPORTANT: The Rotary Foundation - Future Vision Survey

As part of its strategic planning effort, The Rotary Foundation's Future Vision Committee has developed an important survey regarding the Foundation's programs and activities. A targeted audience consisting of the above-referenced leadership groups, along with past presidents, past directors, past trustees, governors-elect, club presidents and presidents-elect, district Foundation chairs, Rotary Foundation alumni coordinators (fka FARG), strategic advisors and major gift advisors will each soon receive an **email invitation** with a web link to an easy, on-line survey. The survey will also be posted on the RI website, inviting participation from all Rotarians and RI staff members. Survey participants will be asked to respond **no later than 9 December**.

**Participation by as many Rotarians as possible is critical to the success of the Foundation's strategic planning process. Please encourage your club and district members to invest 10-15 minutes of their time to provide their valuable input.**

As we continue to prepare for Rotary's second century of service, your assistance is greatly appreciated.

Thank you.
