

# Rotary in London

For a limited period, your Rotary District has been lent a Shelter Box, yes a Big Green Shelter Box by Shelter Box to help your Club promote the work that Rotary does internationally and the work done by Shelter Box.

If you would like the Shelter Box to come to a function that your club is running or even to a club meeting, please contact Rtn Adrian Faiers by phone on 07966 133756 (mobile) or 01895 821858 (home) or drop an email to [adrian@pann.co.uk](mailto:adrian@pann.co.uk).

The Shelter Box is here for you to promote Rotary and Rotary's excellent works, please do not let it get dusty by not using it.

Yours in International Rotary Service
