

# **Group Study Exchange**

## **Incoming Team from District 3040 – Madhya Pradesh**

**April 15<sup>th</sup> to May 12<sup>th</sup> 2006**

### **Vocational Contacts**

A factor that makes GSE such a 'flagship programme' of Rotary Foundation is the opportunity for Rotarians to use their accumulated Vocational experience to further international understanding and develop worldwide professional links

The final make up of the GSE Team from India is still awaited. We are advised that a 'pre-selection' group is completing the general preparation before the final decisions are made.

The shortlist includes:-

**University Manager**  
**Short Film Maker and Independent Journalist**  
**Teacher**  
**Infant Teacher**  
**Manufacturer of Electrical Transformers**  
**Petroleum Product Retail Sales**

Vocational activities they would like to experience includes:-

- Visit University
- Manufacturing Plant
- Hospital
- Government Department involved in Humanitarian activities
- NGO involved in Humanitarian activities
- Electronic and print media organisation
- BBC
- Educational Institutions
- Public School
- Media School
- Write a piece for local newspaper/magazine
- Appear on Local/Cable TV for India based programme
- Visit Business School
- Take part in teaching session
- Nursery school
- Workshop for Arts and Crafts
- Transformer manufacturing company
- Electricity Distribution company
- London Metal Exchange
- NGO involved with primary education
- Cable and conductor manufacturing company
- Petrol Depot
- Retail petrol outlet
- Wholesale of LPG and Propane
