

MESSAGE FROM THE ROTARY CLUB OF WALLASEY THAT WILL BE OF INTEREST TO THE GOLFING ROTARIANS IN OUR DISTRICT.

oOo

The British Open is being held on their “patch” between the 20th and 23rd and they are offering hospitality to the many visiting Rotarians.

They plan to offer B+B free of charge, but expect a donation of £30.00 per night per head which will all go to the Rotary Wirral Life Education Centre.

The availability of affordable accommodation might be the only way that they could make the visit and this would seem to be a prime win-win opportunity for all concerned. The link to the Rotary Club of Wallasey is: www.ribi.org then type in the town name of Wallasey.
