Rotary foundation report .....march 2006.

Group study exchange with d.3040,.madhya pradesh

Our team will report about their visit to india at rotary  
Meetings on 28 march (st.pancras), 6 april (hillside) and 10  
April (tooting). Three further meetings will be from mid-may

The team from india will arrive on sat. 15 april for 4 weeks.  
Hosts for 3 or 4 nights are urgently required in all areas.  
Vocational visits for individual team members required.

See attached details from mike hodge for requirements.

Polioplus partners.

As at 1 february 2006, there are now only 4 polio endemic  
Countries in the world and the foundation trustees are  
Determined to “finish the job” and you can increase the  
Success rate by supporting national immunisation days and providing items in the  
“open projects list” where a total  
Of us\$ 818,482 is still required.

Tim raath (our polio eradication specialist) will be producing his april “polio news  
in brief” next month and in that report he will invite clubs to donate from as little as  
us\$ 115 (£65.) For a bicycle in nigeria up to us\$ 500 (£285.) For 92 aprons in niger.  
The other two countries where “nids are being carried out” are angola and india  
where caps – a contribution of us\$ 200( £114) would buy 95 caps, and umbrellas are  
required.

All these donations are eligible for an automatic match of us\$0.50 per dollar donated.

Watch out for his april edition “polio news in brief”

Send all donations however small to suresh gupta (foundation treasurer) 11 middle  
row, london, w10 5at.
