

A notice from Len Gibbs:

ROTARY IN LONDON MAGAZINE

The next edition of RIL is due to be distributed at District Assembly on May 14th. We still need much more copy, particularly from Clubs. Please try to get your news and pictures in by April 14th latest.

The July edition is coming out at the District Council meeting in July. Although it will carry programmes and information for the new Rotary Year, we still want to report on everything Clubs have done during the current year. Because of the short time available for production, the deadline for this will be June 6th.

We are looking for general articles as well, so if you feel you would like to express a view on Rotary matters, any length from 100 to 600 words, with pictures if possible, let the editor know.

Please remember:

Text only in Word to: (see handbook for email address) (telling him if you've got pictures).

Pictures to: [pix \(at\) rotaryinlondon.org](mailto:pix@rotaryinlondon.org) (tell Dick Nathan you've sent text to Len)

Thank you fellows – “It’s *your* magazine!”
