Dear Sir

Youth Speaks 2006 (junior/intermediate)

I am writing on behalf of myself, my wife, and my daughter Kiri to thank you and all rotarians for sponsoring, organizing and supporting Youth Speaks. Thank you also to all those rotarians for their hard work in ensuring such a successful and enjoyable competition. We have had a most enjoyable time.

I enclose a short personal note of thanks from Kiri. Hopefully, Kiri will also take part next year.

Kiri and her team members from Twyford C of E School in Acton have really enjoyed taking part and we have really enjoyed spectating and supporting them. Who could have even dreamt just a few months ago that they would be taking part in the International Final, let alone taking two individual golds and team silver! It has been truly remarkable – a quite unforgettable and memorable experience.

All the participants have learnt so much and have benefited hugely from the experience. It has been wonderful to see them improve so much as individuals, and as a team, and to see them grow in confidence so much as they progressed from each stage to the International Final. We have all learnt so much about the art of public speaking. I am sure that this will benefit their future development and careers.

On a personal note, I would also like to thank George Myrants for offering me the opportunity of attending a meeting with a view perhaps to my joining Rotary. I am very much looking forward to doing so soon and who knows, perhaps next year, I may be even be helping you to organize Youth Speaks!

Once again, many thanks and let me wish that you continue to go from strength to strength in the wonderful work you do.

With kind regards

Yours sincerely

Lawrence Kormornick
