

1<sup>st</sup> June 2006

Dear Treasurer,

The New Rotary Year beckons.

This means that the half-yearly district subscription becomes due.

I enclose your club's subscription and membership report as at 1 July 2006

I would be really grateful if you would try to get this completed and sent back to me, together with the appropriate cheque, as soon as possible.

Hopefully, there'll be no reason to remind you that there is an additional £1 per member penalty levied, under the instructions of our District Council, for all payments received after 1st September 2006

Your club's RIBI subscription notice is quite separate from the District subscription and will be received independently of this letter. Please do not hesitate to contact me if you require help with making that payment.

If you have any questions, would like some assistance or simply wish to advise me why payment is being delayed, I'd be delighted to receive your call.

With my best wishes to you, your President and your club for a successful Rotary year.

Yours in Rotary,

**Howard Segal FCCA**

Assistant District Treasurer
