

AMAR INTERNATIONAL CHARITABLE FOUNDATION.

Dear Sir or Madam,

I am writing on behalf of the AMAR International Charitable Foundation to enquire whether your Rotary Club would be willing to consider offering its valuable support to our organisation.

The Foundation currently operates in Iraq, Iran and Kashmir, all countries in which there is acute need for the primary healthcare, education, water and sanitation services that AMAR provides. Regrettably, the need in these countries has never been greater and we urgently require public support in order to continue providing these essential services to the poorest and most marginalized communities. All of AMAR's teams are employed and managed locally, a philosophy which ensures that the organisation gains the maximum benefit from local knowledge and expertise, as well as guaranteeing sustainability.

If you are interested in supporting us, our team is very willing to provide you with more information. An overview of our current operations can be viewed on our website: www.amarfoundation.org.

I look forward to hearing from you soon,

Yours sincerely,

Baroness Nicholson of Winterbourne MEP
