In aid of Emerald House Orphanage and School for the Deaf Unit, a short way outside Harare has 95 youngsters in residence and a further 240 who attend the school. All are deaf and the majority are HIV positive. Acute power shortages means that this school is in "darkness" most of the nights. The deaf communicate by sight and when it is dark they cannot see so cannot communicate; they just sit and wait for the lights.

The Eclub London Centenary is joining hands with 4 other clubs and RC Harare West to provide a suitable generator including wiring to enable this school to function.

Both Ladies and Gentlemen invited. Includes Prize Giving Dinner.

It is estimated that the project will cost approximately £18K to £25K. Our target is to try and raise £5000 for this project.
