September Newsletter

I hope that every Rotarian in the District has enjoyed the summer break, and attendance should now be getting back to normal.

The attendance officer Brian Watkins really does a superb job in publishing the report very quickly, BUT he cannot do it without all the clubs co-operation in reporting to him in time. He frequently has to e-mail or `phone to enquire where the report is, and still some clubs fail to give in their numbers.

It isn't just for me, or the District Governor, or the A/Gs that this information is needed it is also for the R.I.B.I Membership Services Chairman who monitors the numbers up and down in all the 29 Districts. 'SO PLEASE DO NOT LET ME DOWN' and give the numbers in either on line, on the telephone or even by fax.

Members of the committee will be visiting clubs around the District during the year Not to spy on you but just to show we care and are there if you need us. Do not forget we are here to help.

I am delighted to see there have been a large number of new Rotarians since July. HAVE THEY BEEN GIVEN THE
